THE ROOFTOP
ESSEX ENCOUNTER
Saturday 30th May 2020

The Rooftop is a global movement that is giving Christians a new passion and desire to Join Jesus in His Mission. To see lost people as Jesus sees them and then, with Christ-like compassion, to tell them the good news and make disciples of people who are beyond the walls of the church.

2020 is a year of great opportunity for Essex

On **30th May 2020**, over the weekend of Pentecost, **The Rooftop ESSEX ENCOUNTER** will be taking place in numerous cities, towns and villages across the county.

Christians will be gathering together on high places, looking across their communities and seeking a fresh vision of God's heart for the lost. Then, they will be equipped to Join Jesus in His Mission by making disciples who make disciples beyond the walls of the church.

This unprecedented event is a significant step toward a global event '**The Rooftop GLOBAL ENCOUNTER**' that is taking place in up to 100 countries across the world on **10th October 2020** that will be launched from Chelmsford.

The city of Chelmsford is the Birthplace of Radio - it is so fitting to launch a global movement from the place where global mass communication began.

I am from Essex and have lived here for most of my life. I am so thrilled to be able to launch a movement that I pray will impact the world from the place where I live and long to see a move of God - Essex!
