# DISCIPLESHIP SUMMIT

In Matthew 28:18-20, Jesus gave us His strategy for reaching every person in the world with the Gospel -

**"Go and make disciples of all nations..."**

We believe these words to be true but what does that look like in our churches, on campus, in the marketplace, or in our neighborhoods?

Over the next two days, we will be exploring Biblical answers to that question as we discover that discipleship is much more than a class or a program. It is a lifestyle of joining Jesus in His mission in everyday life where we live, work, and play.

During this Summit, and in the days following, we are here to serve you. Please let us know how we can pray with you, assist you, or encourage you as you pursue being a disciple who makes disciples in everyday life.

## **Session One Notes**

The Rooftop Vision and The Movement of Disciple-Making Outside the Walls.

On October 5, 2025  
we will be having  
our second  
**Rooftop Global  
Encounter**

The Rooftop Encounter is a moment in prayer where we take leaders, pastors, and churches to rooftops or other high places where they can look across their city/community and ask God, "What do You see when You see my city?" and "How can I join You where You are working in my city?"

On October 5 2025, Christians across the globe will gather on rooftops, hillsides, and other high places on the same day to pray. They will ask God to give them a fresh vision of His heart for the lost and send a spiritual awakening to their cities.

You can be a part of this historical moment by hosting a Rooftop Encounter at your church, in your neighborhood, or in your city as the Church in the city comes together as one to seek God for their city.

## **Session Two Notes**

The Mission of Jesus.

## **Session Three Notes**

Discipling Leaders to be Disciple Makers.

In a world that is becoming increasingly disconnected from the church, many pastors are finding it more and more challenging to know how to reach people who are not coming into our buildings. Have you, as a pastor, ever said, or thought something like:

“I know that I should be equipping the church to be disciples who make disciples but, to be honest, I have never been equipped myself”.

**The Joining Jesus Pastors and Leaders course** is the result of working alongside pastors in a huge variety of contexts all over the world for over 30 years. It is unwaveringly biblical and intensely practical, built on the disciple-making method of Jesus.

For more information, look under the Leaders tab on our Joining Jesus Disciples Network website at [www.jjdn.net](http://www.jjdn.net)

**The Joining Jesus Disciples' Journey** is designed to help connect with God's heart, receive a fresh vision of God's passion for the lost, and be equipped to Join Jesus in His Mission by becoming disciples who makes disciples where we live, work, and play.

Since discipleship always takes place in community, we have developed our resources to inspire, encourage, and equip you as you take this journey with others. It can be people from your own church, your neighborhood, or from across the city.

To learn more about the Joining Jesus Disciples' Journey, visit [www.therooftop.org/resources](http://www.therooftop.org/resources) to download the Joining Jesus Facilitator's Guide, Disciple's Journal, and the Joining Jesus videos.

The **Joining Jesus Weekend** is uniquely designed to introduce the church to The Rooftop and help them discover how to join Jesus in His mission in their everyday life. During the weekend, there are interactive sessions on prayer, engaging the lost, and discipleship as a lifestyle. The highlight of the weekend is The Rooftop Encounter, an opportunity for the church to seek God for a fresh vision of His heart for the lost and their city.
